**ITB NO. 22-24, CONSTRUCTION FOR CHARLES COUNTY LANDFILL
CELL 4A**

ADDENDUM NUMBER ONE

TO: All Bidders

Please be advised of the following modification(s) & information related to Invitation to Bid (ITB) 22-24. These modifications, comments, and attachments are hereby made a part of the solicitation documents to the same extent as if bound therein.

1. Changes – ITB Solicitation Document

A. Part A, Section 1.2 – Bid Submission Package Content

Delete forms provided in “ITB 22-24 – Forms – 211116.docx” in its entirety and replace with ***ITB 22-24 – Revised Forms – 211123.docx*** available on the County’s Bid Board.

Bid Form has been revised to add Contingency Bid Item B1.

B. Part A, Section 1.2.2 - Experience Form, Item A. Relevant Firm Experience: d.

Delete item “d” of the list in its entirety and replace with the bold, italicized text:

‘Large scale compaction and geotechnical testing operations and daily reporting.’

C. Part A, Section 1.2 – Bid Submission Package Instructions

Add the bold, italicized text as “Section 1.2.6 - Intended Subcontractors Form”

” Bidders shall submit the information for the geotechnical engineer and testing agency, the laboratory testing agency, the surveying company, and all subcontractors who the Bidder is planning to use on this project.”

D. Part A, Section 2.1 – Basis of Award

Delete the strikethrough text and add the bold, italicized text:

The County anticipates the award to be based to the lowest responsive, responsible bidder~~(s)~~ based on the Total Bid Price (***Total Base Bid Price + Contingency Bid Item***) . The contract entered into with the successful bidder~~(s)~~ shall meet all standard provisions required by the County.

E. Part B, Section 1.7 – Bonus Program

Delete the section text in its entirety and replace the title “RESERVED FOR FUTURE USE.”

F. Part B, Section 3.0 - Project Submittal Requirements

Add the bold, italicized text as “Section 3.13 - Two (2) Week Look Ahead Schedules”

The Contractor shall prepare and submit a two (2) week look ahead schedule each Friday by 12:00 p.m. (Eastern Time) to communicate the upcoming activities to the project team. The schedule shall clearly list all construction, inspection, and testing activities, and all other relevant items.

G. Part B, Section 5.1 – Bid Item Descriptions

Add the bold, italicized text as “Section 5.1.2 - Contingency Bid Item B1: Excavation and Offsite Disposal”

- 1. Work in this Item includes excavation required to meet the grades shown in the Contract Drawings and hauling excavated materials offsite. This work item includes all excavation required to construct roads, permanent drainage swales and perimeter ditches (along both sides of the perimeter access road). This Item includes all labor, equipment, and materials to excavate, load, haul, and dispose of all excavated materials offsite.*
- 2. Work for this Item will be measured on the basis of cubic yard volume removed as determined by field survey and computed by AutoCAD or other approved methods. The surveys shall be performed in accordance with the Contract Documents at the milestones listed. Upon the ENGINEER’s written approval of each as-built survey, said as-built survey will be the basis for determining the volume of soils excavated or placed to establish the grades.*
- 3. Payment for this Item will be made at the contract unit price per cubic yard (CY) based on the unit costs given by the CONTRACTOR in the Bid Form.*

H. Part B, Section 6.0 – Reports, Specifications and Drawings - ITB 22-24 -Specifications - 211116.pdf

Add the bold, italicized text to “Technical Specifications Section 01150, Item A4 – Excavation and Stockpiling”

- 4. The unit price shall include hauling material to a location within a 5-mile radius of the project site.*
